

Child Sexual Exploitation (CSE)

Awareness and Safety Task

This aim of this task is to raise awareness of CSE among young people; to increase your knowledge and understanding to enable you to recognise the signs, impact and consequences to prevent it happening to you and others.

Task

Research CSE by visiting the Hampshire Constabulary [‘You are not alone’](#) website; take a look at the peer-to-peer video clips, stories and assessment tools to assist you to develop a presentation to your peers.

The focus of your presentation is to raise awareness to the dangers, consequences, reasons why CSE happens and reporting it:

Brief details of what is CSE

How does it happen?

What are the signs?

What can you do to stop it?

How it links to other issues: drug/alcohol abuse, sexual abuse, running away

Where you can get support and advice

Make your presentation as adventurous as you can; consider the following methods:

Song, poem, rap

Short video clip

Awareness poster/leaflet

Short dramatisation

Web-page for school site

App design

Story

Art
