

What is Anti-Social Behaviour?

A definition of what Anti-Social Behaviour means is written in the box below but there is 4 parts missing.

Choose a word from the clouds and put one in the gaps where you think it should go.

Anti-social Behaviour is any by a person or group likely to cause others or distress or which causes a to the community or impact on the

Nuisance

Behaviour or act

Environment

Harassment, Alarm

Well done for completing the definition!! Can you think of types of behaviour you think would be Anti-Social Behaviour?
