

Stage 2 Activity: Common Scenarios

The Stage 2 activity is a 2 part scenario discussion and presentation task which builds on Stage 1 to further explore common scenarios why young people sext/send nude pictures, topics covered include:

Exploitation | Relationship | Blackmail | Peer Pressure

Aim: To raise awareness of risks, actions, consequences and effects of 'sexting'

Learning Outcome: Improve understanding of the consequences and effects of sending/posting naked or sexualised images online

Stage 2 activity focuses on Part 1 of 2 only and looks at:

- Common scenarios where young people send images online
- Actions, risks, effects and consequences
- Contributing factors (exploitation/CSE, blackmail, pressure)

Planning

- 4 scenarios based on: **Exploitation | Relationship | Blackmail | Peer Pressure**
- Teacher reference sheets supplied for each scenario
- Designed as a group activity but can also be used in 1-2-1 work
- Choose from 3 delivery options – full, short and post 16 version
 1. Full length scenario – story with set questions for discussion & presentation
 2. Quick version - story for discussion & presentation
 3. FE 16+ - story for discussion & presentation

Delivery

- Arrange class into 4 mixed groups according to age relevance, time, need and ability.
- Provide each group with PART 1 of scenario in the preferred option (**Full/Quick/HE**)
- Group read the scenario, discuss and record views according to task questions/points
- In turn, group present their scenario and comments to the class/group
- Open to class/group for comment/share views
- Refer to teacher sheet where necessary – points listed are not exhaustive.

Resources Required

Choose the Full, Quick or FE options from the scenarios below; print the task sheet and corresponding teacher/facilitator sheet for your reference
